Tournament Rules

13) OBSTRUCTION - If a defensive player illegally hinders a batter or base runner then the base runner will be awarded an extra base. A fake tag to induce the runner to slide is considered obstruction and the runner will be awarded an extra base.

14) INFIELD FLY RULE - A batter is called out on an easily caught pop fly to any defensive player near or in the infield when there are runners on first and second or the bases are loaded and there are less than two outs. The batter is called out and all base runners advance at their own risk once the fly ball has been touched. When such a hit is made the umpire should immediately call "infield fly the batter is out". When in doubt the umpire should call "infield fly, the batter is out if fair", or "infield fly, if fair".

15) The batter has 10 seconds to enter the batter's box. If the batter does not enter the box, the umpire shall call a strike on the batter.

16) OUTSIDE THE BASELINES. A runner is out if she runs more than three feet outside the baseline to avoid a tag.

17) TURNS AT FIRST BASE - A runner may over-run first base, turn in either direction, and return to base w/o liability to be put out. However, an obviously aggressive move toward second forfeits the privilege.

18) A coin toss shall determine which team shall be first at bat. The winner of the toss has the choice.

19) HR limits will be determined at the coaches meeting by all coaches and all pools.

20) No profanity from players, fans etc. on field! Woman and children are present.
